Professional Camouflage Kit

Our foundation/concealer all-in-one transcends all other makeup -
light-weight, total coverage that looks and feels natural AND it's 100% waterproof!

Natural Cover Creams: 1 of each shade

20 shades that match actual skin tones. Natural Cover is so concentrated with pigment that just a DAB will go a long way! The degree of coverage desired is achieved by varying application techniques because this foundation/concealer-all-in-one is **truly** an artist's medium.

It's the perfect "everyday" foundation or concealer for a busy woman who wants flawless coverage that lasts all day long. Yet, with sheer to opaque coverage possibilities, it is versatile enough to completely conceal birthmarks, scars, vitiligo and post-operative bruising or redness with out appearing or feeling heavy.

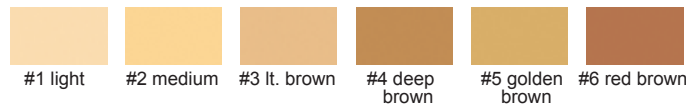

Ingredients: Mineral oil (paraffinum liquidum), Kaolin, Disteardimonium hectorite, Paraffin, PEG-5 soy sterol, Talc, Butyl myristate, Copernicia cerifera (carnauba) wax (cera carnauba), Propylene carbonate, Petrolatum, PEG-22 dodecyl glycol copolymer, Caprylic/Capric triglyceride, Propylene glycol, Sorbitan oleate, Propylparaben, Cymbopogon schoenanthus oil, water (aqua), Glycine soja (soybean) oil, Tocopherol, Phenoxyethanol, Methylparaben, Ethylparaben, Butylparaben, Isobutylparaben Pigments: Titanium dioxide, Iron oxides.

Performing Powders: 1 of each shade

When Performing Powder is pressed into our foundation, it creates a special waterproofing bond, resulting in a smooth and silky finish. The powder can be pressed or dusted on as you prefer. Available in 6 shades, they may be blended to further customize and blossom your shade.

Ingredients: Talc, Aluminum stearate, Magnesium stearate, Kaolin. **Contains less than 1% concentrate:** Isopropyl isostearate, Mineral oil, Squalene, Isopropyl Lanolate, Dimethicone, Isostearic acid, Methylparaben, Imidazolidinyl urea, Propylparaben, Tocopherol, Ascorbyl palmitate. Pigments: Mica, Titanium dioxide, Iron oxides, Manganese.
